DOJ Updates

Staff
Matt Allord reported there are no staff updates.

Compliance

Matt Allord reported that the Compliance Monitoring Tool (CMT) has been opened by OJJDP. Required reporting in the system includes the dates of 10/1/24 – 9/30/25. WI DOJ facility audits were completed, and all data has been collected. However, Wisconsin has not received its on-site audit report from April/May of 2026, performed by OJJDP. OJJDP staff gave preliminary verbal findings at the end of the on-site audit but have not sent a written audit report. WI DOJ will wait for that written audit report and direction from OJJDP, as it will likely impact how compliance data needs to be entered into the CMT. The CMT submission due date is 8/22/26, WI DOJ staff will keep the GJJC updated as to next steps and direction from OJJDP. WI DOJ staff are also preparing for/completing audits and data collection for the 10/1/25 – 9/30/26 data period, which will be reported in the CMT at a future date and used for future Title II funding eligibility.

Legislation
Sabrina Gentile reported the Governor's Commutation Board has not posted any meeting notices. Gentile reported the Board can still function without posting meetings.

Komro reported DOJ Intern Sarah Huber compiled a list of legislators that are not up for election in 2026 and may be interested in youth justice issues. Commission members can request a copy of the list. Huber provided more information.

Grants
Komro reported that the FY2025 Title II Award notice was received from OJJDP and is being reviewed for acceptance by DOJ. The Notice of Funding Opportunity for the FY2026 Title II grant is anticipated later this year. Awards were made for the FY23 Delinquency Prevention subgrant program. Recipients will be posted on the GJJC website shortly. Komro reported that she conducted three grant site visits in June and July to provide technical assistance and observe programming.

GJJC August 12, 2026, Meeting Agenda Review
Kiley Komro reviewed the August 18 GJJC Quarterly Meeting Agenda and responded to subcommittee feedback regarding agenda items and additions.

Tony Maggiore Award Nomination
Komro reported the Tony Maggiorie Award had one nomination this year. The Executive Subcommittee and youth members had the opportunity to review the nomination packet prior to the meeting. Executive Subcommittee members reviewed the nomination and approved the individual for award. Komro will follow up with the nominator to notify them of the award and ask for a brief biography to share during the award ceremony scheduled in August.

Commissioner Pearson reported that Suzanne Stute, Dane County Community Program Manager and supervisor of the Dane Shelter Care and Home Detention Program is retiring August 3 and an Interim Director has been named.
